Subject: CIBC Financial Data Report - 18 February 2022

Good afternoon, Isabelle. I attach CIBC's reporting, which reflects \$593,272 from five frozen accounts. Your team may note that there is a slight discrepancy with the number provided yesterday - this is due to the fact that the date of birth provided to us for one of the individuals did not match our records. I'm happy to connect live if that would be helpful. My cell number is **Personal**.
